Instructions

- Say each word and the student is to write each word in their work book, saying each sound as they write. E.g. /c/ /a/ /t/
- Mark the list of words. See below.

Correct Answers

- ✓ Ask student to spell the correct word out loud using letter names (ask student to focus on seeing the whole word in their mind, remember to close their work book).

Incorrect Answers

- For each unknown word, write and spell the word out loud (in exercise book) while the student looks on.
- Ask the student to copy the word and spell it out loud while writing it.
- Ask the student to cover the word and write it from memory followed by saying the word again.
- If they get it incorrect. Repeat steps 1 – 3 again.
- Ask the student to use the word in a sentence (verbally).
